

Access statement

West Bay is the harbour at Bridport Dorset. Use the postcode DT6 4EL in your sat-nav. Follow the A35 towards Bridport. At the Crown Inn Roundabout take the B3157 towards West Bay. Use the large car park on your left opposite Haddon House Hotel. Exit the car park left and follow the road towards the harbour. Keeping the boats on your left the LBRC pontoons are located on the bridge where the river flows into the harbour (6-8 minutes from the car park).

See map below

Access to the LBRC pontoon is via a metal staircase with a single hand rail.

There are two pontoon types.

The first solid under foot and whilst floating, is solid and stable.

Access to the boat is via the second pontoon which is made up of a series of interlocking blocks (see <http://www.versadock.com>) These plastic blocks provide excellent buoyancy but are softer underfoot and require a small amount of balance to negotiate.

Entry to the RIB is over the tube with seating astride a jockey seat akin to a motor cycle, two people per seat. Each seat has a back rest and supports at the rear and a grab rail at the front. Mobility & a certain degree of physical ability is necessary to embark/disembark the RIBs & pontoons. Staff & skipper will advise customers using discretion & curtesy if they feel it would not be suitable to travel at sea with us.

LBRC has a minimum age policy of 5 years old accompanied by an adult providing the sea state is flat calm.

- This age is raised at the skippers discretion as the wind speed/wave size increases
- Passengers are made aware of this rule from the outset
- The skippers word is final
- Child age range 5-11 years inclusive

LBRC adopt this policy to prevent against back injury, spinal compression injury, shaking injury to a child. Please see our terms and conditions on our website or contact a member of staff should you have any queries.

Caution: RIBs are likely to be subjected to significant shock loads, our trips are not suitable for

- Those with neck, back, hip, knee, ankle or foot problems or any other medical conditions made worse by shock loads
- Those who are either pregnant or are of notable stature
- Those who have consumed alcohol or intoxicating drugs

The RIBs are open boats and you may be subjected to spray or any other weather elements such as rain, wind and sun. Suitable protection is recommended. LBRC can provide wet weather clothing by prior arrangement.
